Subject: Resolution supporting reauthorization of Florida's Communities Trust

At a recent Florida League of Mayors board of directors meeting, the board heard from the Trust for Public Lands about the reauthorization of the current Florida Forever program or a successor program that would support Florida Communities Trust.

As you know, many cities use Florida Communities Trust dollars for a variety of city land acquisition initiatives. Funding for the Florida Forever program is set to sunset in 2010.

Attached is a resolution in support of continued funding for the Florida Forever program or a successor program that you may consider adopting and sending to your local legislative delegation.

If you have any questions, please feel free to contact John Thomas at the League office.
