AGENDA ITEM FACT SHEET

AGENDA DATE: May 7, 2008

**Description of Agenda Item: RENOVATION AND UPGRADE OF
MOBILE COMMAND VEHICLE**

Recently we have determined a need to renovate and upgrade the Mobile Command Vehicle which is now approaching 15-years of age and in some instances has become technologically obsolete.

Although the majority of the renovation work on this project will be completed by Pride Enterprises, which is a bid-exempt entity as per Chapter 425, subparagraph (1) (f) of Florida Statutes 287.042 (2) (a), there will be additional vendors (some proprietary) required to provide material and equipment to ensure the most cost-effective and efficient upgrade to our equipment. Therefore, based on the aforementioned, we are requesting that bidding be waived on this project.

Due to law enforcement need for the upgrade and enhancement of the command vehicle, and absence appropriate funds, I am respectfully requesting to fund this upgrade and renovation via the Law Enforcement Trust Fund, in an amount not to exceed \$65,000.00. This is an appropriate expenditure under permissible uses of equitable shared funds that are necessary to perform official law enforcement duties.

If you should need any additional information or further clarification, please feel free to contact me.
