FOR IMMEDIATE RELEASE:

## **David Park Gets Shade Structures, Closed During Installation**

Margate, Fla., April 25, 2007 – Starting Monday April 30, 2007 construction at David Park, on the George Mudd Playground, will begin in order to offer new shade structures over the playground equipment.

These shade canopies will be installed in time for the summer recreation program starting June 11, 2007. The navy blue structures provide 96% shade and 99% UV protection and can be removed in case of a hurricane.

For safety measures during construction, the playground will be closed. Estimated construction time is one week, Monday April 30, 2007 – May 4, 2007.
