FOR IMMEDIATE RELEASE:

## **Dance the Night Away at the Margate Senior Center**

Margate, Fla., August 27, 2007 – The Northwest Focal Point Senior Center has been kicking up their heels all summer long with their new dance activity for those 60 years and older. The next dance is scheduled for Thursday September 27, 2007 from 7-9 p.m.

In an effort to give Seniors an evening activity, the Center has added a dance to their activities calendar. Beginning July 2007, the fourth Thursday evening of each month the Center will host a dance.

Activities Coordinator Denise Steele says the dance has been very popular with at least 50 attendees at each dance. “We have professional musicians and some of the best players in Florida. They play all types of dance music including swing, ballads, the lindy, and samba. Even if you don’t wish to dance it’s a great concert.”

The “Autumn Night's Dance” is set for Thursday, September 27, 2007 from 7-9 p.m. at the Northwest Focal Point Senior Center, 6009 NW 10th Street. Music will be provided by the *Hall of Fame Band*. Attendees **MUST** be a member of the Northwest Focal Point Senior Center to attend. Membership is complimentary, but new members **MUST** register **PRIOR** to the night of the dance. Each member may bring one guest.

Donations and contributions are greatly appreciated. A \$2 donation will be requested at the Dance. All proceeds raised help fund the Northwest Focal Point Senior Center. About 4,000 senior citizens in Broward County are served annually by the Center, which offers more than 50 recreational, educational, and social activities designed to improve quality of life for those 60 and over. Serving 10 cities in Northwest Broward County, membership to the Margate facility is complimentary.
