Planning for the Playoffs...City Offers Discounted Marlin Tickets

Margate, FL, August 30, 2005 – In celebration of the City of Margate’s Fiftieth Anniversary, Margate hopes to offer the Florida Marlins the support they need to push them to the playoffs by offering discounted tickets to its residents for the September 16th game.

With Major League Baseball playoffs right around the corner, community support at games is invaluable. “People will be able to enjoy the first of a three-game series against Philadelphia with their friends and neighbors” said Margate Recreation Supervisor Michael Jones. “What better way to spend a Friday night! Especially since the season ends October second.”

Public Information Officer Kery Venezia added, “The Marlins need the support of everyone in the community to get them back on the road to the World Series. And with the city’s season of celebration for the Fiftieth Anniversary upon us, it’s a great way to get involved, spend time with your community and have some fun in the process.”

The first 12,500 fans to enter the stadium on game day will receive a free poster, courtesy of the Miami Herald and the game will be televised by PAX.
