## **Status in Margate during Hurricane Rita**

Margate, FL, Tuesday September 20, 2005 – While Rita continues to make her way toward south Florida and there are various watches and warnings in effect for Broward County, some business-as-usual continues.

At this time, Broward County is under a tornado watch, a flood watch, a hurricane watch and a Tropical Storm Warning. However, trash pick up in Margate is scheduled as normal for today and city hall is open. In addition, Margate Intercity Transit is currently discontinued for today and the N.W. Focal Point Senior Center remains closed.
