Waiting for Wilma

Margate FL, October 21, 2005 – The City of Margate has begun preparing for Hurricane Wilma by installing hurricane shutters on municipal buildings. The city continues to conduct conference calls with the National Weather Service in Miami and the Broward County EOC (Emergency Operation Center) and will continually update www.margatefl.com with new information as it is received.

As per the City Manager, city policy is as follows: if Broward County enters a Hurricane **Warning**, city hall will be closed. When in doubt about a need to report to work, ask your department head if you are considered emergency personnel or if your services are needed.

Per Waste Management trash pick-up will occur Monday October 24, 2005 at 5:00 a.m. and continue until conditions are safe. Once conditions deteriorate residents should secure trash and bring it indoors. After the storm passes, trash pick-up will be continued on your regularly scheduled pick-up day.
