Margate Gets a P.O.D.

October 27, 2005, Margate, FL – Margate has secured a contract for hurricane debris pickup. The city will be divided into zones with crews for each zone. Pick up will start Thursday mid-day. We ask residents to please be patient as it may take some time to pick up the estimated 300,000+ cubic yards of debris. Also please **REMEMBER TO SEPARATE HURRICANE DEBRIS FROM REGULAR HOUSEHOLD TRASH.**

All three mobile home parks in Margate have been notified that evacuation is necessary. Monarch High School is standing by to assist those residents. These residents are also urged to register with the Red Cross at 954-754-3800.

A point of distribution (POD) location has been secured and ice and water are being delivered to Firefighters Park at 2500 Rock Island Road.
