Citizen Survey regarding Margate's Farmer's Market

Margate, FL, December 1, 2006 – The Margate Community Redevelopment Agency (CRA) has set up a Citizen Survey Line to obtain feedback from residents regarding the use of the Farmer's Market currently located at the Lakeshore Swap Shop, 1000 State Road 7.

In 2003, the CRA held a planning exercise involving residents, business people, and elected officials that proposed future plans for the Margate Town Center. The result was the Charrette Master Plan. Regarding the Lakeshore property, it determined "...people liked the fact that the green market existed, and they generally enjoyed visiting [it]. A general consensus was that the market could be retained, but should be configured and designed as an appropriate center-piece to the City." With the recent acquisition of the Swap Shop property, the CRA Board would like provide an opportunity for residents to provide input once again.

To provide your feedback on the issue, call (954) 935-5249 before December 20, 2006 and take the short survey.
