CITY CENTER DEVELOPMENT
FOR IMMEDIATE RELEASE 10/21/2025

Margate, Fla. — The City of Margate is developing a new City Center, and residents are invited to share their thoughts and ideas on the vision.

The City of Margate, in partnership with Brookfield Properties, will host the public discussion session from 6 to 8 p.m. Tuesday, Oct. 28, at the Leonard Weisinger Community Center, 6199 NW 10th St. in Margate.

The session will provide residents and community stakeholders with an opportunity to learn more about the proposed Margate City Center development, ask questions, and offer feedback.

“Community input is essential to creating a City Center that reflects the needs and values of our residents,” said City Manager Cale Curtis. “We invite everyone to participate in this important conversation.”

The event is free and open to the public.

The future City Center will rise on as much as 50 acres in the area of State Road 7 and Margate Boulevard. The project could potentially feature both retail and residential components.
