Frequently Asked Questions Regarding Bank Drafting

What is Bank Drafting?

You can now pay your water bill without writing a check . . . Bank Drafting is a new payment option designed to make water bill payment more convenient and efficient. With bank drafting, you'll save time, save postage costs and eliminate writing checks. You also won't have to worry any longer about late payments due to your busy schedule or while you're away from home, because your bill payment will be made automatically by a direct debit to your bank account.

Will I still get a utility bill each month?

Yes, each month we will send you a bill. On the bottom of all the bills that are included in the bank drafting program is a reminder "**Bank Draft – Do Not Pay**".

How long will it take to process my application?

The time will vary between 30-45 days. You should continue to pay all bills that do not have the reminder "Bank Draft – Do Not Pay" on the bottom of the bill.

What happens if I feel I have been over-billed?

If you contact the City in writing within 15 days of the bill date, the automatic bank draft can be delayed. However, misuse of this privilege may lead to removal from the bank drafting program.

When will the money be withdrawn from my bank account?

The funds will be debited from your bank account 20 days after the **bill date**.

What happens if I do not have the funds in my account when the City charges it?

The draft will be viewed by the City as a check payment and will be processed as if you paid with a NSF check. A \$30 service charge or 5% of the draft amount, whichever is larger, will be billed to your account. Additionally, should you have two returned items within a year, you may be removed from the bank drafting process.

What happens if I change banks?

If you change banks, you will need to notify us in writing, in advance. You will also need to complete a new bank draft application to draft funds from your new bank account.

Can I cancel bank drafting?

You can discontinue bank drafting by notifying the City in writing in such a manner to afford the City a reasonable opportunity to act on it.

How do I enroll?

Complete the Bank Draft Application and attach a voided check.

Mail the completed Application to: City of Margate, 901 N.W. 66th Avenue, Margate, FL 33063, or fax to (954) 969-3424. **DO NOT EMAIL THE FORM.**
