FROM THE MAYOR

School is out for the summer, and it's time to enjoy your summer break!

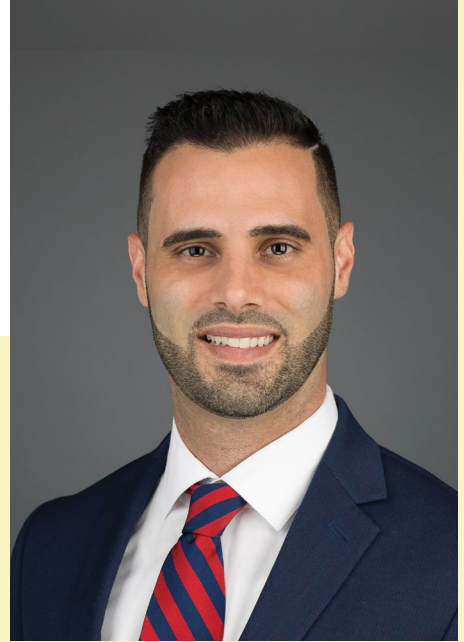

Gather the family and join us for a day filled with activities on the Fourth of July. Wear your red, white, and blue with stars and stripes and be part of the parade down Margate Boulevard from 76 Avenue to State Road 7, beginning at 9 a.m. Come back later to Calypso Cove from 1 to 4 p.m. for a patriotic pool party with steel drum music and face painters. Then beginning at 5 p.m., we invite you to the northwest corner of Margate Boulevard and 441 for the big celebration with a live band and food trucks. Watch the much-anticipated fireworks lighting up the skies at 9 p.m., weather permitting.

On Tuesday, August 2, from 6-10 p.m., the Margate Sports Complex is the

place to be for the annual National Night Out, where you can meet our law enforcement officers and learn about crime prevention tips while enjoying music, food, and activities for families and kids of all ages.

Sounds at Sundown returns on Saturday, September 3, at the Margate Sports Complex from 5-10 p.m. Don't miss this popular free event where you can enjoy a night of good music and food. Remember to bring your chair or blankets for your comfort.

Calypso Cove is open daily during the hot days of summer from July 1 until August 14 from 10 a.m. until 5 p.m. Group swimming lessons are also available in the morning on weekdays. To be part of the competitive Margate Motion Swim

Team, schedule a tryout first at margatemotion@margatefl.com. If tennis is your game, lessons for all age groups and skill levels are available from certified tennis instructors at Firefighters Park. No experience is needed, so please call 954-496-6061 for more information.

I hope you enjoy your summer.

Mayor Antonio V. Arserio
aarserio@margatefl.com

FROM THE VICE MAYOR

As Vice Mayor, I take my leadership responsibility very seriously and have been committed to my public service role since elected to the Commission. I was recently honored to participate in the Leadership Academy 1 Educational Program offered by the Florida League of Cities (FLC) University. The FLC advocates for local voices and Home Rule powers as the best way to represent our voters. I joined this training program to learn more about local government best practices that will benefit our entire community.

The City of Margate is also involved with the Broward League of Cities at the county level, a non-partisan organization that works collaboratively with Broward's 31 cities and municipalities. As the City's delegate to the League's Board of Directors for the upcoming 2022-2023 year, I will ensure that we are represented well at the county, state, and federal levels.

Thank you for your support in these endeavors.

Vice Mayor Anthony N. Caggiano
acaggiano@margatefl.com

Dear Neighbors:

Summer is here, and I want to invite you to come out and play at any of our Margate parks.

If you haven't already, stop by the newly renovated Vinson Park. Come practice your game at the baseball fields and new batting cages – you're going to love this new facility. Kids can cool off at the new splash pad or burn off some energy in the covered playground.

This July, we're celebrating Parks and Recreation Month and the importance of our high-quality parks to promote a healthy, strong, and vibrant community. Parks are places to gather with friends and family, spaces to celebrate life's special moments, or spots to relax and de-stress. Our 19 Margate parks offer many opportunities for our residents to connect with nature and improve their health and overall well-being. To learn more about our athletic programs, recreational services, or special events, please visit our parks homepage at www.margatefl.com.

Enjoy your summer. God bless.

Commissioner
Tommy Ruzzano
truzzano@margatefl.com

As we enter the rainy summer season and also the most active months of hurricane season, I strongly suggest that you and your family prepare for the possibility of one or more weather-related emergencies. Approximately 25 percent of Margate's population is 65 or older, and history has shown that the senior population is the most vulnerable during crises.

If you are disabled, frail or have health issues, I urge you to register now with Broward County's Vulnerable Population Registry by visiting broward.org/Registry or by calling 954-831-4000. This registry is a valuable tool enabling first responders to evaluate and prioritize residents' needs. Please don't wait until the last minute to register. Being prepared makes the difference between being a hurricane victim or a hurricane survivor.

Commissioner
Arlene R. Schwartz
aschwartz@margatefl.com

Good news for residents trying to stretch the household budget: The State of Florida has approved various sales tax holidays/exemption periods for a host of items such as children's books, Energy Star appliances, baby clothing, diapers, home hardening, back to school supplies, trade tools, and motor fuel, among others. You can check the complete calendar list at floridarevenue.com/salestaxholidays to know when to stock up on needed items since tax is not due on the retail sale of these products during these sales tax holidays.

As a former teacher, I know how important it is to expose children to books early. The sales tax exemption for children's books lasts until August 14, 2022. What an excellent opportunity to purchase lots of books for children ages 12 or younger. You'll save some money when buying beginning reader books, juvenile chapter books, middle-grade books, or audiobooks on CD or tape.

By being surrounded by books, your kids will be inspired to read and can enrich their summer learning.

Commissioner
Joanne Simone
jsimone@margatefl.com

Margate Delish Video Series Wins Telly Award

Did you hear? The City of Margate has won its first Bronze Telly Award for the **"It's Margate Delish"** social video series under the food and beverage category. Spearheaded by the Margate Community Redevelopment Agency (MCRA) and supported by the City of Margate, the video series was created in 2021 to highlight the diverse culinary treats offered in the City, especially in the redevelopment district.

The Telly Awards is the world's largest honor for video and television content across all

screens. Established in 1979, The Telly Awards receives over 12,000 entries from all 50 states and five continents. Entrants are judged by The Telly Awards Judging Council — an industry body of over 200 leading experts, including advertising agencies, production companies, and major television networks.

The videos are produced by the City of Margate's Marketing and Business Development staff with the intent to position Margate and its MCRA as a worthy "foodie" destination in South Florida and beyond. Margate Delish episodes are introduced by a City of Margate official and highlight the uniqueness of each restaurant. To date, episodes feature Kouyou Buffet, Jasmine Thai & Sushi, Lester's Diner, La Bamba, Sr. Ceviche, La Pizzeria, Toasted Café, and It's Greek to Me, gathering hundreds of views on the City's social media channels.

To watch the award-winning series, check the Margate Delish campaign playlist on the City's YouTube Channel at www.youtube.com/user/cityofmargatefl/playlists.

Online Building Permit Upgrades Coming

ProjectDox

The City of Margate is upgrading the online building permit submittal and plan review program to ProjectDox 9.2 to improve the customer experience. New features include

short video tutorials that describe the permit submittal process step by step. Applicants will also be able to open plan review comments and automatically zoom into the specific markup areas on the blueprints, allowing them to see exactly where the corrections need to be made. With a single click, permit applicants can export their review comments into an Excel spreadsheet to be easily shared with team members. The City is also planning to upgrade the online inspection scheduling system to enhance its user experience by the end of this year. This new system will allow permit holders to conveniently schedule, cancel and reschedule inspections from any location, 24 hours a day. Applicants will also have the ability to check inspection results from their mobile device or computer.

Do Your Part to Keep **Our Canals Clean**

The City of Margate works year-round to keep our waterways clean and pollutant-free. Homeowners living next to a canal or lake also have a role in keeping our water channels clear of trees, shrubs, and other encroaching objects.

You may have seen our Public Works crew removing loose grass and other vegetation that grow beneath the water's surface or spraying the shorelines and canal banks to prevent the growth of weeds and brush. Vegetation and structures along a canal right of way may end up in the canal and cause blockages that could result in flooding that endangers the safety of all Margate residents.

If you live next to a canal, here's how you can help:

- Do not allow your trees or bushes to grow out over the water. Remove any exotic and invasive vegetation that can produce dense growth and decaying matter threatening water quality.
- Do not throw palm fronds, coconuts, tree branches, or yard clippings into the canal or storm drains.
- Do not apply any fertilizers within 10 feet of any body of water.
- Do not pour any chemicals into the canals. Once a year, the City releases grass carp fish to control nuisance vegetation growth.

Let's work together to keep our waterways clean. For more information, contact Public Works at **954-972-8126**.

Temporary Conversion to Free Chlorine

To maintain high water quality in the City's water distribution system, the City of Margate Water Treatment Plant will change its treatment process temporarily to increase the level of free chlorine disinfection from **August 2 through August 22, 2022**. This proactive measure prevents bacterial growth in the water mains and keeps the water safe for potable uses. For more information, please call the Department of Environmental and Engineering Services at 954-972-0828.

What's in your drinking water?

You can now read the City of Margate's 2021 Water Quality Report online at www.margatefl.com/ccr2021. This report contains essential information about the source and quality of your drinking water. To have a report sent to your home, click on the link www.margatefl.com/2021 and complete a fillable form to submit your contact information. You can also send an email to deesadmin@margatefl.com with your name/address or call 954-972-0828.

About Your Trash...

We appreciate everyone's patience as we continue to work with Republic Services to address service issues related to collecting garbage, recycling, and bulk/yard waste. If you have a missed pickup, need a cart replacement, or have any other waste or recycling issue, contact the City at garbage@margatefl.com or Republic at 954-583-1830.

If you are still unsure about your collection schedule, please visit www.margatefl.com/collectiondays. Please note that recycling and bulk pickup do not occur on the same day. And remember, all waste must be placed inside the cart with the lid closed. Keep in mind that Republic's trucks need at least 3 feet of clearance from all objects, including trees, cars, or mailboxes, to grab your cart.

Helpful Tips from Code Compliance: During the summer months, the rain and wind can be so powerful that they can make your bulk and yard waste a nuisance to the entire neighborhood. To avoid this, our Code Compliance Officers suggest the following helpful tips to consider:

- Avoid placing any bulk or yard waste out too many days ahead of your collection day. The longer it stays out waiting for pick up, the greater its chances of blowing around the neighborhood in the stormy season.
- Place your bulk or yard waste in a location that is easily accessible for the bulk trucks to maneuver and away from parked cars or trees with low-hanging branches. If trucks can't access the piles, they won't be serviced.
- If you place any large household items like furniture, mattresses, or fixtures days before your scheduled pickup, you're inviting others to dump their unwanted trash in your pile. This unsightly waste makes your neighborhood look trashy and also attracts the visit of unwanted animals.
- Only place bulk and yard waste behind the curb and not on the streets as it will block traffic. Republic Services will not collect your bulk waste if you put non-accepted items like construction materials, tires, garbage, or paint. Visit www.margatefl.com/wastewizard to check which items you can place at the curb.

By following these tips, you'll help keep Our Margate safe and clean.

PARKS AND RECREATION EVENTS AND PROGRAMS

For the most up-to-date information, please contact the Parks and Recreation Department at 954-972-6458 or parksrec@margatefl.com.

Ice Cream Patrol

Be on the lookout for the Margate Ice Cream Police Patrol around the community near you! This is a new initiative of the City of Margate to strengthen the police-community relationships. The Police Department repurposed an older vehicle and installed a music box adaptor that would play the various familiar ice cream truck jingle/tunes.

The Margate Police Department would like to provide you with car break-in prevention tips!

- Take or hide your valuables
- Secure your car keys
- Keep your car visible
- Park in well-lit areas
- Activate your car alarm
- Lock your car and roll up your windows

If You See Something, Say Something!

Honoring Our Resident Veterans

Calling all Veterans: OurMargate wants to honor our residents who have served in the U.S. Armed Forces and are veterans of wars.

A new Home of the Brave Program will provide one yard sign (per household) at no cost to residents of the City of Margate. The signs can be proudly displayed in front of homes of the brave men and women who are Veterans, live in Margate, and have earned our lasting gratitude.

A limited number of yard signs will be available on a first-come, first-served basis. For more information on obtaining a yard sign, please email PIO@margatefl.com and include document(s) showing veteran status and Margate residency.

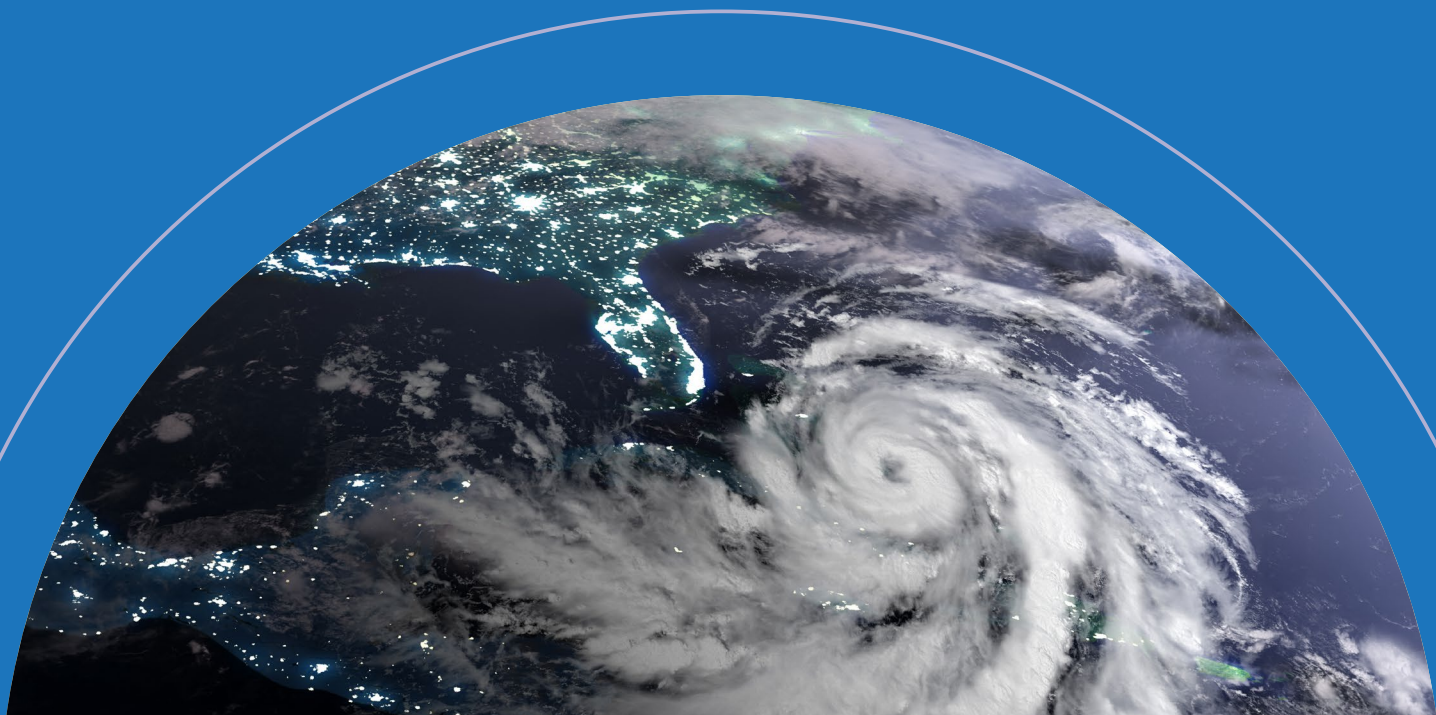

Hurricane Season

June 1 through November 30

Register Early: Vulnerable Population Registry

After a hurricane or other emergency, residents may experience prolonged power and phone outages. Residents may not be able to leave their apartments to get assistance or let others know that they are in need. Elevators may not be functioning.

You should pre-register in the Vulnerable Population Registry if you are at risk due to a disability, frailty, or health issue, regardless of age, and if you elect to stay at home in the event of a hurricane or other emergency. Registration should be in advance, and before a storm threatens. Register by calling the Broward County Call Center at 311 or 954-831-4000 (TTY 954-831-3890).
