## FROM THE MAYOR

"Greetings and Welcome to the first edition of Our Margate 2025! I am honored to write this column as your newly appointed Mayor. 2025 is a year for celebrating! In the near future you will hear a great deal more about plans for the long-awaited City Center project and your input will be invaluable. As in the past, the City of Margate has an exciting lineup of amazing events and activities planned by our incredible staff to highlight our family-friendly, fun loving city. I encourage you to grab a chair and join us for Margate's fantastic live concert series, Sounds at Sundown, or watch Movies in the Park, declutter or snag a special treasure at the Spring Cleanup and Garage Sale.

In addition to celebrating our monthly events and our dedicated City employees, we also have a wonderful tradition of honoring awesome students and outstanding teachers. As a former Broward County Public School

teacher and administrator, I understand the genuine dedication required to inspire young minds to become engaged, informed citizens, thoughtful decision-makers, and future leaders. Children flourish in supportive school environments. Let's join together to express our gratitude to every school staff member— from administrators to custodians— who make a daily impact on our children's lives and education. Their efforts should not go unnoticed. The Margate City Commission, alongside our local school administrators from each of our schools, recognize and honor the student who exhibits outstanding character and a positive outlook, as well as an exceptional teacher who embodies the joy and excitement of learning. Please get involved and let your voices be heard — your input and opinions do matter to us.

If you're interested in volunteering or serving on one of our City Boards or Committees, please contact the City Clerk's Office to inquire about board vacancies and apply.

I wish you and your loved one's joy, good health and happiness in the new year. I value your trust, encourage your suggestions and input and look forward to continuing to serve you. Together, we make our city Great!"

## FROM THE VICE MAYOR

"Exciting things are happening in Margate in 2025! Families are at the heart of our community. We offer programs for kids, opportunities for seniors, and events that help neighbors connect and build friendships. This spring, we are thrilled to unveil new updates at Calypso Cove, just in time for Spring Break! With a brand new splash pad and significant improvements to our aquatic facility, we are ready to provide families in our area with unforgettable experiences.

Are you looking to declutter your home? Now is an ideal time to clean out your closets, garage, and other spaces where unused items may be stored. Consider participating in the Margate Spring Clean-Up and Garage Sale, where you can sell these items and earn extra cash. This event will take place on Saturday, March 8th, from 7:00 a.m. to noon. To reserve your space, visit MargateFL.com."

## BOND REFERENDUM WHAT YOU NEED TO KNOW

Margate residents voted to approve a \$120 million bond for water and wastewater improvements. This bond referendum is intended to finance essential upgrades to aging utility systems in the City of Margate. The current water and wastewater rates will be used to fund these improvements, which means there will be no increase in property taxes.

This year, \$60 million will be allocated for upgrades to the water and wastewater treatment plants and for replacing aging water lines. In 2027, \$30 million will be designated to meet new EPA regulations, including requirements related to PFAS/PFOA in drinking water and biosolids management in wastewater. In 2031, another \$30 million will be used to fulfill anticipated regulatory requirements from the Florida Department of Environmental Protection (FDEP), the South Florida Water Management District (SFWMD), and the Florida Legislature, as well as the completion of previous projects.

For more information, please visit [Margatefl.com](http://Margatefl.com) or contact DEES at 954-972-0828.

## BE A GOOD NEIGHBOR

### Don't Block the Sidewalks

Be a considerate neighbor, and don't park your vehicle blocking the sidewalks. It is unlawful to park a vehicle on a sidewalk. Sidewalk access is crucial for people in wheelchairs, postal workers, children on bikes, and parents pushing strollers. Please don't block the sidewalk.

### Keep Good Curbside Manners

Help keep your neighborhood beautiful by keeping good curbside manners. Per City Code, don't place your bulk or yard waste items more than three days before your collection day. By leaving trash out too early, you'll invite rodents and make your block look untidy. Bulk and yard waste items must be placed immediately behind the curb or within the swale area, if there is no curb, by 7:00 a.m. on your collection day. Please note that contractor-generated waste will not be collected.
